

LAS PECADORAS

The Sinners, Women that Sing Cuecas
Chilean musical group

LIVE IN LONDON

The Cueca is a traditional dance and music style from Chile. It represents the manifestation of the people. Las Pecadoras modernise these songs, injecting new life into them by introducing lyrics focused on gender issues. They confront the conventional rules of an art form that is often skewed towards chauvinist attitudes.

ADMISSION FREE!

Friday, October 2, 7pm The Fodge Camden Town. 3-7 Delancey St, London NW1 7NL
